

PRAYER TIME!

Color the "Prayer Time" page and hang it up in your room. Then color each wedge of the circle a different color. Cut out the prayer wheel along the edge of the circle. Place a tack in the middle and pin it to the black dot on the "Prayer Time" page.

When you pray, start with the "Praise God" section lined up with arrow on the "Prayer Time" page. Then turn the wheel to the section underneath for the next part of your prayer.

Keep praying until you've gone through all six sections.
